

Welcome to Bastyr! Before visiting a class, please pick up a "Visitor" badge from the admissions office, room 259. This will identify you to the instructor and the students as a guest and give them the opportunity to welcome you and/or offer assistance. Feel free to observe, but unless asked to participate, please leave classroom discussion to the students and the instructors. All classes on this schedule have been approved for visitors but please try to arrive to the class 10 minutes early, introduce yourself to the instructor and ask if it is OK for you to sit in on today's class. Some specific class meetings may not be appropriate for visitors and this will be decided at the instructor's discretion. A class can sometimes be canceled, out on a field trip, taking an exam, or involved in a discussion or demonstration which requires privacy. Enter the class only at the beginning, or during a break, which may vary from instructor to instructor and usually begins 50 minutes after the start of class. If you need to leave early, please sit near a door so you can do so without disturbing the class. If you have problems with locating a class to visit, check in with the Admissions office for assistance.

In the interest of recycling, please return the badge to the Admissions or Front Office when your visit is over, or if you visit the Bastyr Center for Natural Health, to the reception desk there.
