

Certificate of Chinese Herbal Medicine

2019 – 2020

View course descriptions at Bastyr.edu/Catalog

The CCHM is a postgraduate course of study that includes both didactic and clinical training. Applications for the certificate program are taken from licensed acupuncturists throughout the year, with admission starting in summer quarter. An interview may be required. The minimum requirement for the CCHM is either a master's degree in acupuncture from an ACAOM accredited institution or a certificate in acupuncture with 10 years of documented clinical experience. Applicants need to have completed or be in the process of completing the following coursework.

PREREQUISITES

Intermediate Algebra.....	1 course
General Chemistry (allied-health level with lab).....	1 course
General Biology (allied-health level with lab).....	1 course
General Physics (allied-health level with lab).....	1 course
General Psychology.....	1 course

The following classes are corequisites and may be completed while taking CCHM classes:

Survey of Organic Chemistry, Biochemistry and Microbiology

CCHM applicants must have a background in the basic sciences that is comparable to Bastyr University's master's curriculum. Upon review of past coursework, applicants may be asked to take a higher-level science course or complete a competency exam.

Note: The CCHM program is 55 credits total. To earn the certificate, 41 credits must be completed in residence.
