BOOKING YOUR WEDDING EVENT

Tentative Bookings

To assure you right-of-first-refusal, you may pencil in a date and have it held for up to seven days without a contract or deposit. If you do not contact us after seven days, your name may be removed without further notice. If, during your seven day penciled in period, another client requests the same day and time, you (having right-of-first-refusal) and will be given 24 hours to either book with a signed contract and deposit or release the date.

Final Bookings and Payment Schedule

Contract and Booking Deposit: To firmly book a date for a wedding in the Chapel, a signed contract with a \$400 non-refundable deposit is required. This deposit serves as a cancellation fee if the event is canceled and Bastyr cannot fill the space. The deposit is applied to your rental fee if no cancellation occurs.

Damage and Cleaning Deposit: A damage deposit of \$250 is required and must be paid 30 days prior to the event. This is in addition to the rental fee, but is included in the final payment. This refundable deposit covers extra cleanup and damages to the facility, and will be returned if no extra cleanup or damage repair is required. The wedding party is required to remove all possessions, including flowers, and leave the space clean and tidy in order to avoid paying an extra cleanup fee. The deposit will be held until after an inspection of the facilities immediately following the event, and the refund check will be mailed out approximately 12 days after your wedding date.

Final Payment: The remaining balance of the facility fee is due 30 days *prior* to the event. In the case of a late booking, final payment is due with the signed contract. Additional charges or additional damage costs will be invoiced and sent to the client immediately following the wedding.

Cancelations

Bastyr will keep the \$400 non-refundable deposit if there is a cancelation at any time and the space cannot be filled with another wedding or event. If circumstances require you to cancel your event, please advise us immediately to allow us to attempt to fill the space with another event.

COORDINATING YOUR WEDDING EVENT

Site Coordinator

A Bastyr University Site Coordinator will be present during the entire event. She will be on hand to make sure all facility agreements are met regarding setup, cleanup, and access to specific areas, as well as assuring the wedding stays within the allotted time frame. The Site Coordinator is **not a wedding consultant** and **does not assist the wedding party with any tasks related to the wedding ceremony or preparation**. We highly recommend hiring a professional wedding coordinator, who can help with everything from planning your entire wedding to simply coordinating the events of the day. It is a great investment to make your wedding day as smooth and stress free as possible.

Ceremony

Your wedding party will be allowed four hours in the Chapel for setup and preparation, photographs, ceremony, and breakdown/cleanup. During your rehearsal, you will have the opportunity to work with our staff to create a final schedule for your wedding. Unless you arrange for a late breakdown schedule, a fee of \$300 per half-hour will be charged if breakdown is not complete at the end of your four hours. This fee will be deducted from the \$250 Damage and Cleaning Deposit and you will be invoiced for any remaining balance due. All items left after your wedding are subject to disposal.

Insurance

The wedding party must procure and maintain in force for the duration of the wedding, without expense to Bastyr University, a public liability insurance policy (Day of Event Insurance) or an event endorsement to home owners or renters insurance, covering bodily injury and property damage, with limits of not less than \$1,000,000 per occurrence. The wedding party must provide Bastyr University Conference Services with a "Certificate of Insurance," with Bastyr University named as additional insured, prior to occupancy of the facility.
