

**MS IN ACUPUNCTURE/MS IN ACUPUNCTURE AND ORIENTAL MEDICINE/
UNDERGRADUATE ENTRY OPTION**

2015 - 2016

View complete course descriptions at: Bastyr.edu/Catalog

Prerequisites For Applicants with a Bachelor's Degree

Intermediate Algebra.....	1 course
General Chemistry (allied-health level with lab) ¹	1 course
General Biology (allied-health level with lab) ¹	1 course
General Psychology.....	1 course
General Physics.....	1 course

¹Required biology and chemistry courses must have been taken within seven years of entering the program. If not, additional coursework may be required after the admissions committee review.

Prerequisites For Applicants Without a Bachelor's Degree

- Entering undergraduates must have at least a 2.75 cumulative GPA with a grade of C or better in all basic proficiency and science requirement courses.
- Prior to enrolling, students must have completed 90 quarter credits (60 semester credits), including a minimum number of credits in the basic proficiency/science requirements and general education categories.

Note: Students may apply to the program while completing prerequisite coursework.

Basic Proficiency and Science Requirements

English Literature or Composition.....	9 credits
Intermediate Algebra ¹	1 course
General Psychology.....	3 credits
General Chemistry (allied-health level with lab) ²	4 credits
General Biology (allied-health level with lab).....	4 credits
General Physics (allied-health level).....	3 credits
Speech Communication or Public Speaking ³	3 credits

¹Intermediate algebra is not college level, and the credits will not transfer in toward degree completion.

²Survey-level class that covers inorganic chemistry and includes a lab component. Intended for students in allied-health majors.

³Students that complete a WA state college Direct Transfer Associate Degree (DTA) are not required to complete this course.

General Education Requirements

Natural Sciences and Mathematics.....	9 credits
Arts and Humanities.....	15 credits
Social Sciences.....	15 credits
Speech Communication or Public Speaking.....	3 credits
Electives ¹	25 credits

¹The number of elective credits may vary depending upon the exact number of quarter credits earned in the other prerequisite categories. Total prerequisite credits must equal at least 90 quarter credits.

All Oriental Medicine classes are bolded and only taken by students that choose the MS in Acupuncture and Oriental Medicine option.

Year I

Cat. No.	Course Title	FALL QUARTER	Credits
BC3134	Living Anatomy for AOM.....		4
OM3111	Survey of Organic and Biochemistry*.....		4
OM4109	Meridians and Points 1.....		3
OM4118	TCM Fundamentals.....		4
OM4315	TCM Bodywork: Tui Na.....		1
OM4406	Qi Gong.....		1
OM4800	Clinical Entry.....		2
