

Public Access

In accordance with the Public Health Service (“PHS”) Financial Conflict of Interest regulation (42 CFR Part 50 Subpart F and 45 CFR Part 94), Bastyr University will make certain information regarding financial conflicts of interest of senior/key personnel on PHS-funded research projects available upon written request. Specific requests for information regarding financial conflicts of interest may be sent in writing to the following address:

Bastyr University
Office of Research Administration
Attn: Financial Conflict of Interest Request
14500 Juanita Dr NE
Kenmore, WA 98028

We will respond within five business days of receipt of a written request. Information that will be made available is the following:

- name of the individual with the financial conflict of interest
- individual's title and role with respect to the PHS-funded research project
- name of the entity in which the significant financial interest is held
- nature of the significant financial interest
- approximate dollar value of the significant financial interest
